(3) The Court shall first determine the damages diet would have been recoverable if there were no limit on the amount of those damages fixed by or in accordance with the Convention and there had been no negligence on the part of the passenger or consignor.

(4) The Court shall then reduce the damages under subsection (3) as it thinks just and equitable having regard to the share of the passenger or the consignor in the responsibility for the damage.

A carriage without such an agreed stopping, place between territories subject to the sovereignty, suzerainty, mandate or authority of the same High Contracting Party is not deemed to be international for the purposes of this Convention.

3. Carriage to be performed by several successive air carriers is deemed for the purposes of this Convention, to be one undivided carriage, if it has been regarded by the parties as a single operation, whether it had been agreed upon under the form of a single contractor of a series of contracts, and it does not lose its international character merely because one contractor a series of contracts is to be performed entirely within a territory subject to the sovereignty, suzerainty, mandate or authority of the same High Contracting Party.
1. The Convention applies to carriage performed the State or by legally constituted public bodies provided it falls within the conditions laid down in Article 1.

1. Every carrier of cargo has the right to require the consignor to make out and hand over to him a document called an ‘waybill’; every consignor has the right to require the carrier to accept this document.

2. The absence, irregularity or loss of this document does not affect the existence or the validity of the contract of carriage which shall, subject to the provisions of Article 9, be none the less governed by the rules of this Convention.

6

1. The air waybill shall be made out by the consignor in three original parts and be handed over with the cargo.

2. The first part shall be marked “for the carrier”, and shall be signed by the consignor. The second part shall be marked “for the consignee”, it shall be signed by the carrier and shall accompany the cargo. The third part shall be signed by the carrier and handed by him to the consignor after the cargo has been accepted.

3. The carrier shall sign on acceptance of the cargo.

4. The signature of the carrier may be stamped; that of the consignor may be printed or stamped.

5. If, at the request of the consignor, the carrier makes out the air waybill, he shall be deemed, subject to proof to the contrary, to have done so on behalf of the consignor.

7

The carrier of cargo has the right to require the consignor to make out separate air waybills when there is more than one package.

8

The air waybill shall contain the following particulars—

(a) the place and date of its execution;
(b) the place of departure and of destination;
(c) the agreed stepping places, provided that the carrier may reserve the right to alter the stopping places in case of necessity, and that if he exercises that right the alteration shall not have the effect of depriving the carriage of its international character;

(n) the number of parts of the air waybill;

(o) the documents handed to the carrier to accompany the air waybill;

(p) the time fixed for the completion of the carriage and a brief note of the route to be followed, if these matters have been agreed upon;

(q) a statement that the carriage is subject to the rules relating to liability established by this Convention.

If carrier accepts cargo without an air waybill having been made out, or if the air waybill does not contain all the particulars set out in Article 8 (a) to (i) inclusive and (q), the carrier shall not be entitled to avail himself of the provisions of this Convention which exclude or limit his liability.

1. The consignor is responsible for the correctness of the particulars and statements relating to the cargo which he inserts in the air waybill.

2. The consignor will be liable for all damage suffered by the carrier or any other person by reason of the irregularity, incorrectness or incompleteness of the said particulars and statements.

The air waybill is *prima facie* evidence of the conclusion of the contract, of the receipt of the cargo and of the conditions of carriage.

2. The statements in the air waybill relating to the weight, dimensions and packing of the cargo, as well as those relating to the number of package, are *prima facie* evidence of the facts stated; those relating to the quantity, volume and condition of the cargo do not constitute evidence against the carrier except so far as they both have been, and are stated in the air waybill to have been, checked by him in the presence of the consignor, or relate to the apparent condition of the cargo.
12

1. Subject to his liability to carry out all his obligations under the contract of carriage, the consignor has the right to dispose of the cargo by withdrawing it at the aerodrome of departure or destination, or by stopping it in the course of the journey on any landing, or by calling for it to be delivered at the place of destination or in the course of the journey to a person other than the consignee named in the air waybill, or by requiring it to be returned to the aerodrome of departure. He must not exercise this right of disposition in such a way as to prejudice the carrier or other consignors and he must repay any expenses occasioned by the exercise of this right.

2. If it is impossible to carry out the orders of the consignor, the carrier must so inform him forthwith.

3. If the carrier obeys the orders of the consignor for the disposition of the cargo without requiring the production of the part of the waybill delivered to the latter, he will be liable, without prejudice to his right of recovery from the consignor, for any damage which may be caused thereby to any person who is lawfully in possession of that part of the air waybill.

4. The right conferred on the consignor ceases at the moment when that of the consignee begins in accordance with Article 13. Nevertheless, if the consignee declines to accept the air waybill or the cargo, or if he cannot be communicated with, the consignor resumes his right of disposition.

13

1. Except in the circumstances set out in the preceding article the consignee is entitled, on arrival of the cargo at the place of destination, to require the carrier to hand over to him the air waybill and to deliver the cargo to him, on payment of the charges due and on complying with the conditions of carriage set out in the air waybill.

2. Unless it is otherwise agreed, it is the duty of the carrier to give notice to the consignee as soon as the cargo arrives.

3. If the carrier admits the loss of the cargo, or if the cargo has not arrived at the expiration of seven days after the date on which it ought to have arrived, the consignee is entitled to put into force against the carrier the rights which flow from the contract of carriage.

14

The consignor and the consignee can respectively enforce all the rights given them by Articles 12 and 13 each in his own name whether he is acting in his own interest or that of another, provided that he carries out the obligations imposed by the contract.

15

1. Articles 12, 13 and 14 do not affect either the relations of the consignor or the consignee with each other or the mutual relations of third parties whose rights are derived either from the consignor or from the consignee.

2. The provisions of Articles 12, 13 and 14 can only be varied by express provision in the air waybill.

16

1. The consignor must furnish such information and attach to the air waybill such documents as are necessary to meet the formalities of customs control or police before the cargo can be delivered to the consignee. The consignor is liable to the carrier for any damage occasioned by the absence, insufficiency or
irregularity of any such information or documents, unless the damage is due to the fault of the carrier or his servants or agents.

2. The carrier is under no obligation to inquire into the correctness or sufficiency of such information or documents.

**Chapter III**

**Liability of the carrier**

17

The carrier is liable for damage sustained in the event of the death or wounding of a passenger or any other bodily injury suffered by a passenger, if the accident which caused the damage so sustained took place on board the aircraft or in the course of any of the operations of embarking or disembarking.

18

1. The carrier is liable for damage sustained in the event of the destruction or loss of, or of damage to, any registered baggage or any cargo, if the occurrence which caused the damage so sustained took place during the carriage by air.

2. The carriage by air within the meaning of the preceding paragraph comprises the period during which the baggage or cargo is in charge of the carrier, whether in an aerodrome or on board an aircraft, or, in the case of landing outside an aerodrome, in any place whatsoever.

3. The period of the carriage by air does not extend to any carriage by land, by sea or by river performed outside an aerodrome. If, however, such a carriage takes place in the performance of a contract for carriage by air, for the purpose of loading, delivery or transshipment, any damage is presumed, subject to proof to the contrary, to have been the result of an event which took place during the carriage by air.

19

The carrier is liable for damage occasioned by delay in the carriage by air of passengers' baggage or cargo.

20

1. The carrier is not liable if he proves that he and his servants and agents have taken all necessary measures to avoid the damage or that it was impossible for him or them to take such measures.

2. In the carriage of cargo and baggage the carrier is not liable if he proves that the damage was occasioned by negligent pilotage or negligence in the handling of the aircraft or in navigation and that, in all other respects, he and his agents have taken all necessary measures to avoid the damage.

21

If the carrier proves that the damage was caused by or contributed to by the negligence of the injured person the Court may, in accordance with the provisions of its own law, exonerate the carrier wholly or partly from his liability.

22

1. In the carriage of passengers, the liability of the carrier for each passenger is limited to the sum of 125,000 francs. Where, in accordance with the law of the Court seized of the case, damages may be awarded in the form of periodical payments, the equivalent capital value of the said payments shall not exceed 125,000
francs. Nevertheless, by special contract, the carrier and the passenger may agree to a higher limit of liability.

2. In the carriage of registered baggage and of cargo, the liability of the carrier is limited to a sum of 250 francs per kilogram, unless the consignor has made, at the time when the package was handed over to the carrier, a special declaration of the value at delivery and has paid a supplementary sum if the case so requires. In that case the carrier will be liable to pay a sum not exceeding the declared sum, unless he proves that that sum is greater than the actual value to the consignor at delivery.

3. As regards objects of which the passenger takes charge himself the liability of the carrier is limited to 5,000 francs per passenger.

4. The sums mentioned above shall be deemed to refer to the French franc consisting of sixty-five and a half milligrams gold of millesimal fineness nine hundred. These sums may be converted into any national currency in round figures.

Any provision tending to relieve the carrier of liability or to fix a lower limit than, that which is laid down in this Convention shall be null and void, but the nullity of any such provisions does not involve the nullity of the whole contract, which shall remain subject to the provisions of this Convention.

1. In the cases covered by Articles 18 and 19 any action for damages, however founded, can only be brought subject to the conditions and limits set out in this Convention.

2. In the cases covered, by Article 17 the provisions of the preceding paragraph also apply, without prejudice to the questions as to whom the persons who have the right to bring suit and what are their respective rights.

The carrier shall not be entitled to avail himself of the provisions of this Convention which exclude or limit his liability, if the damage is caused by his willful misconduct or by such default on his part as in accordance with the law of the Court seized of the case, is considered to be equivalent to willful misconduct.

Similarly the carrier shall not be entitled to avail himself of the said provisions if the damage is caused as aforesaid by any servant or agent of the carrier acting within the scope of his employment.

Receipt by the person entitled to delivery of baggage or cargo without complaint is prima facie evidence that the same has been delivered in good condition and in accordance with the document of carriage.

In the ease of damage, the person entitled to delivery must complain to the carrier forthwith after the discovery of the damage, and, at the latest, within three days from the date of receipt in die case of baggage and seven days from the date of receipt in the case of cargo. In the case of delay the complaint must be made at the latest within fourteen days from the date on which the baggage or cargo has been placed at his disposal.

Every complaint must be made in writing upon the document of carriage or by separate notice in writing despatched within the times aforesaid.

Failing complaint within the times aforesaid, no action shall lie against the carrier, save in the case of fraud on his part.
In the case of the death of the person liable, an action for damages lies in accordance with the terms of this Convention against those legally representing his estate.

1. (a) In the carriage of registered baggage and of cargo, the liability of the carrier is limited to a sum of two hundred and fifty francs per kilogramme, unless the passenger or consignor has made, at the time when the package was handed over to the carrier, a special declaration of interest in delivery at destination and has paid a supplementary sum if the case so requires. XIII

In Article 25 of the Convention, paragraphs 1 and 2 shall be deleted and replaced by the following—

‘The limits of liability specified in Article 22 shall not apply if it is proved that the damage resulted from an act or omission of the carrier, his servants or agents, done with intent to cause damage or recklessly and with knowledge that damage would probably result; provided that, in the case of such act or omission of a servant or agent, it is also proved that he was acting within the scope of his employment.’

XIV

After Article 25 of the Convention, the following Article shall be inserted—

‘Article 25A’

1. If an action is brought against a servant or agent of the carrier arising out of damage to which this Convention relates, such servant or agent, if he proves that he acted within the scope of his employment,

3. The provisions of paragraphs 1 and 2 of this Article shall not apply if it is proved that the damage resulted from an act or omission of the servant or agent done with intent to cause damage or recklessly and with knowledge that damage would probably result.'

In the case of delay the complaint must be made at the latest within twenty-one days from the date on which the baggage or cargo have been placed at his disposal.'

XVI

Article 34 of the Convention shall be deleted and replaced by the following—

'The provisions of Articles 3 to 9 inclusive relating to documents of carriage shall not apply in the case of carriage performed in extraordinary circumstances outside the normal scope of an air carrier's business.'

Third Schedule (Section 3 (3))

Convention
Supplementary to the Warsaw Convention for the unification of Certain Rules relating to International Carriage by Air performed by a Person other than the Contracting Carrier.

The States signatory to the present Convention
NOTING that the Warsaw Convention does not contain particular rules relating to International Carriage by Air performed by a person who is not a party to the agreement for carriage.

CONSIDERING that it is therefore desirable to formulate rules to apply in such circumstances have agreed as follows—

I
In this Convention—

(a) 'Warsaw Convention’ means the Convention for the unification of Certain Rules relating to International Carriage by Air signed at Warsaw on 12th October, 1929, or the Warsaw Convention as amended at the Hague, 1955, according to whether the carriage under the agreement referred to in paragraph (b) is governed by the one or by the other;

(b) 'contracting carrier’ means a person who as a principal makes an agreement for carriage governed by the Warsaw Convention with a passenger or consignor or with a person acting on behalf of the passenger or consignor;

(c) 'actual carrier’ means a person, other than the contracting carrier, who, by virtue of authority from the contracting carrier, performs the whole or part of the carriage, contemplated in paragraph (b) but who is not with respect to such part a successive carrier within the meaning of the Warsaw Convention. Such authority is presumed in the absence of proof to the contrary.

II
If an actual carrier performs the whole or part of carriage which, according to the agreement referred to in Article 1, paragraph (b), is governed by the Warsaw Convention, both the contracting carrier and the actual carrier shall, except as otherwise provided in this Convention, be subject to the rules of the Warsaw Convention, the former for the whole of the carriage contemplated in the agreement, the latter solely for the carriage which he performs.

III
1. The acts and omissions of the actual carrier and of his servants and agents acting within the scope of their employment shall, in relation to the carriage performed by the actual carrier, be deemed to be also those of the contracting carrier.

2. The acts and omissions of the contracting carrier and of the servants and agents acting within the scope of their employment shall, in relation to the carriage performed by the actual carrier be deemed to be also those of the actual carrier. Nevertheless, no such act or omission shall subject the actual carrier to liability exceeding the limits specified in Article 22 of the Warsaw Conventions. Any special agreement under which the contracting carrier assumes obligations not imposed by the Warsaw Convention or any waiver of rights conferred by that Convention or any special declaration of interest in delivery at destination contemplated in Article 22 of the said Convention, shall not affect the actual carrier unless agreed to by him.
IV

Any complaint to be made or order to be given under the Warsaw Convention to the carrier shall have the same effect whether addressed to the contracting carrier or to the actual carrier. Nevertheless, orders referred to in Article 12 of the Warsaw Convention shall only be effective if addressed to the contracting carrier.

V

In relation to the carriage performed by the actual carrier, any servant or agent of that carrier or of the contracting carrier shall, if he proves that he acted within the scope of his employment, be entitled to avail himself of the limits of liability which applicable under this Convention to the carrier whose servant or agent he is unless it is proved that he acted in a manner which, under the Warsaw Convention, prevents the limits of liability from being invoked.

VI

In relation to the carriage performed by the actual carrier, the aggregate of the amounts recoverable from that carrier and the contracting carrier, and from their servants and agents acting within the scope of their employment, shall not exceed the highest amount which could be awarded against either the contracting carrier or the actual carrier under this Convention, but none of the persons mentioned shall be liable for a sum in excess of the limit applicable to him.

VII

In relation to the carriage performed by the actual carrier, an action for damages may be brought, at the option of the plaintiff, against that carrier or the contracting carrier, or against both together or separately. If the action is brought against only one of those carriers, that carrier shall have the right to require the other carrier to be joined in the proceedings, the procedure and effects being governed by the law of the Court seized of the case.

VIII

Any action for damages contemplated in Article VII of this Convention must be brought, at the option of the plaintiff, either before a Court in which an action may be brought against the contracting carrier, as provided in Article 28 of the Warsaw Convention, or before the Court having jurisdiction at the place where the actual carrier is ordinarily resident or has his principal place of business.

IX

1. Any contractual provision tending to relieve the contracting carrier or the actual carrier of liability under this Convention or to fix a lower limit than that which is applicable according to this Convention shall be null and void, but the nullity of any such provision does not involve the nullity of the whole agreement, which shall remain subject to the provisions of this Convention.

2. In respect of the carriage performed by the actual carrier, the preceding paragraph shall not apply to contractual provisions governing loss or damage resulting from the inherent defect, quality or vice of the cargo carried.

3. Any clause contained in an agreement for carriage and all special agreements entered into before the damage occurred by which the Parties purport to infringe the rules laid down by this Convention, whether by deciding the law to be applied, or by altering the rules as to jurisdiction, shall be null and void. Nevertheless, for the carriage of cargo arbitration clauses are allowed, subject to this Convention, if the arbitration is to take place in one of the jurisdictions referred to in Article VIII.
X

Except as provided in Article VII, nothing in this Convention shall affect the rights and obligations of the two carriers between themselves.

XI

Until the date on which this Convention comes into force in accordance with the provisions of Article VIII, it shall remain open for signature on behalf of any State which at that date is a Member of the United Nations or of any of the Specialized Agencies.

XII

1. This Convention shall be subject to ratification by the signatory States.
